Position: Dental Hygienist

Location: Baltimore, MD

Job Overview:

We are seeking a dedicated and skilled Dental Hygienist to join our pediatric and general dental team on Mondays and Wednesdays. The ideal candidate should have a passion for patient care and a strong commitment to promoting oral health. As a Dental Hygienist, you will play a vital role in providing preventive dental care to children and adults, educating patients and parents about oral hygiene, and assisting the dental team in delivering high-quality services.

Responsibilities:

- Conduct thorough patient assessments, including reviewing medical histories and performing oral examinations.
- Provide direct patient care by cleaning teeth, applying sealants, and administering fluoride treatments.
- Educate patients on proper oral hygiene techniques and the importance of regular dental visits.
- Assist with infection control protocols to maintain a safe and sterile environment.
- Utilize medical imaging techniques to capture diagnostic images as needed.
- Support the dental team with four-handed dentistry during procedures.
- Maintain accurate patient records, including medical coding for treatments provided.
- Monitor vital signs as necessary and report any concerns to the dentist.

Requirements:

- Valid dental hygiene license in the state of practice.
- Proficiency in patient care and assessment techniques.
- Knowledge of general dentistry practices and infection control standards.
- Experience in dental assisting is a plus but not required.
- Familiarity with medical imaging equipment and techniques is preferred.
- Strong communication skills to effectively educate patients and collaborate with the dental team.
- Ability to work efficiently in a fast-paced environment while maintaining attention to detail.
